

Darren Plummer Bio

I started in agility in 1997 when I took over running one of my wife's dogs. She asked me to try it once, I did and was immediately attracted to the sport.

After a few years of running dogs, I decided to go into judging to give back to a sport I enjoyed so very much. I have been an all levels agility judge for around 15 years now.

I have also been the Regional Rep for the Sask Man region back in the early 2000's. I did 2 terms and thoroughly enjoyed my time on the board.

I ran my own business for 35 years, before we sold the business and I retired. But, I found retirement boring so I am back working, enjoying my time in semi retirement. The rest of my time is spent training and enjoying our dogs, and ferrying our son from one sport to another!

In 2016 Standsure opened a dog facility in Prince Albert, which we are thoroughly enjoying. We host trials, workshops and just enjoy training our dogs.

Dogs, and the dog sports, are a huge part of my life.

With recent developments in AAC, I have decided to throw my hat into the ring for Vice President as I have strong feelings on the direction AAC is taking and want to ensure all voices are heard.
