

Wendy Beard - Bio

I live in Carp, Ontario and have 7 Belgian Shepherds of various ages, colours and varieties at home, ranging in age from 15 years to 15 months. They are not all mine! My Husband Paul also competes with his dog, Aro. I have been competing in Agility for over 17 years now, having started training in the Netherlands with my first Belgian Shepherd, Tanja.

Since then I and my dogs have earned 5 ATChC titles, one Bronze AOM, two Silver Versatility awards, One Gold AOM and one Lifetime AOM with the AAC. We have also won our height division twice in the Ontario Regionals. Once with Tyra in all Ontario Regionals and once with Tuula in the Ontario East Regionals.

I believe in supporting the agility associations in which I compete. I have been the Regional Director for Ontario East since January 2016 and also serve on two of the AAC committees. I am a Masters judge for the AAC and also judge for the CKC and UKI.

I am here to listen to the demands of the competitor and help in any way I can to develop the sport and make it as safe as possible.
