## Dog Measurement Form

Club Name: \_\_\_\_\_ Date: \_\_\_\_\_

The following form is to be used to record the dog measurement for both new measurements and re-measurements for 2018 jump heights. Only the Judge of record may measure dogs that do not have a previously completed ID card. Any judge may, on request from the host club, carry out re-measurements for a replacement ID card.

Only dogs over 2 years old and dogs taller than 23” may request a final measurement. For re-measurement exceptions refer to Rulebook.
