

Agility Association of Canada / Association d'Agilité du Canada

***Bio for Julia Luxemburger – Candidate for Regional Director – Ontario West
ACCLAIMED***

When I first became a dog trainer, I had no intention of getting involved in agility, but as soon as I started, I was hooked. That was 7.5 years ago.

I've been involved with the AAC since 2017, running my first agility dog in regular AAC trials, as well as receiving podium placements at both the regional and national levels. We also made the AAC Canadian National Agility Team as an alternate in 2022, with goals of making the team again in the future with my next agility dog.

I'm a firm believer in bettering oneself through education, knowledge, and networking. My hope for this position is to gain a better understanding of the ins and outs of the AAC, have valuable knowledge to pass down to the new, up-and-coming competitors, as well as add input leading towards higher-level competition.

Kind regards,
Julia Luxemburger
