

Liz Ostrander - Nominee for AAC Regional Director – Ontario West

Oct 3, 2024

I fell in love with agility at my first class with Whimsy, my miniature Poodle, 8 years ago. My instructor talked about trialling and competing, and I said, 'Oh I will never do that!' Fast forward, trialling (almost) every weekend, totally addicted, many ribbons and titles for Whimsy including her Lifetime Award. Several Regionals and Nationals Events attended with even more ribbons.

Whimsy has passed on and I am working on training another potential ribbon winner. But in the meantime, I want to stay connected to the Agility community. At Nationals 2024, I was elected as Tryout Coordinator, organizing and scoring the National Team Tryouts. I am also the Assistant Team Manager of the National Team. With the Team selected, I will be accompanying them to Switzerland in June 2025.

I have formed a new club, On A Whim Agility and plan to host AAC trials at the West Niagara Fairgrounds (pending approval) starting spring of 2025.

I look forward to serving the AAC members and clubs of Ontario West as Regional Director, being their voice to the Board of Directors and keeping them apprised of the AAC changes. Hopefully I can help with the development of more clubs in our area to host trials.

Liz Ostrander
