

Agility Association of Canada / Association d'Agilité du Canada

I am excited to be back on the AAC Board, as AB/NWT Regional Rep. We are all going through difficult times right now and I think its more important then ever for those who are able, to step up. AAC has seen a lot of changes in the last couple of years, and I hope to continue to be apart of growing the sport.

I have been lucky enough to be around the dog Agility world for over 20 years, in all the various roles as Competitor, Judge, Host and World Team Member. One of the things that I love about agility is there is a spot in the sport for everyone, from those who have a love of the game and like hanging out with their training friends and playing with their pups on the weekends, it can be an amazing inclusive fun hobby for anyone. All the way up to those who want to push themselves and their team to try their hand at competing at some of the very best in the world. Agility has a spot for everyone, and even in these trying times it is still growing and I am looking forward to being apart of guiding the future of AAC.

As well as being available to everyone in my region as Rep, I will do my very best to be available and informed for any questions or needs for anything that comes up. I'll see you all out there (eventually!) 😊

Meaghan O'Neill

Regional Director Alberta/Northwest Territories
