

Agility Association of Canada / Association d'Agilité du Canada

**Steve Borda – Candidate for Regional Director – New Brunswick/ PEI
ACCLAIMED**

Hi, my name is Steve Borda. I am originally from Delhi Ontario. I moved to New Brunswick in 1997. My wife and I started doing agility in 2009 with my\our Border Collies, (we have 2 more since).

I have competed at over 100 sanctioned AAC trials, and I have been largely involved in hosting 2 trials per year since 2010 and I believe 6 Regional events.

I have also been on the AAC Equipment committee for approximately 5 years, and I have been a course builder at Nationals as well as running at Nationals 5 times. In my spare time, lol, I also build competition-grade equipment.

I decided to run for Regional Director in hopes that I can be a good resource for our local members and help to keep the AAC running strong and smooth for the future.
