

## **Carla White – Candidate for Regional Director Saskatchewan-Manitoba and Nunavut**

With a passion for teamwork, I have dedicated my career to the exciting world of dog agility. I bring 12 years of experience and a good understanding of the sport, having worked with dogs of all breeds and skill levels. I thrive on the challenge of agility courses and celebrate the progresses taking note of the struggles.

Beyond competition, I am a dedicated coach and mentor, helping aspiring handlers develop the skills and confidence to succeed. My training philosophy emphasizes positive reinforcement and clear communication, which is a foundation of any successful agility team.

When I am not on the agility field, you'll find me attending seminars, participating in other dogs sports, raising a child, enjoying time with family and friends. I am always striving to improve and evolve within the sport, constantly learning and sharing knowledge to elevate the agility community. My belief is that we need strong communication within our community to ensure that our voices are not lost.

Sincerely,

Carla White
