

Tracey Mallinson

Nominated for RD British Columbia/Yukon

Thank you for the nomination. I've been involved in Agility since 1996. I've seen a lot of changes during that time. Agility is my hobby. I want to ensure the AAC offers an enjoyable competitive venue for both recreational and international teams. My goal is to promote the sport of agility.

I am a Highland Dancer/teacher. I work for the Municipal Government. Hence, I understand politics and personalities.

I do my best to remain neutral, and examine the details.
