My name is Gabrielle Gagné, and I have been actively involved in dog agility for several years as both a competitor and dedicated supporter of the sport. Agility has become an important part of my life, providing opportunities to continually learn, connect with fellow enthusiasts, and strengthen the bond I share with my dogs.

I currently compete with my Toller, and they have taught me some of agility's most valuable lessons: teamwork, patience, resilience, and the importance of celebrating progress along the way. Through training, trialing, and volunteering within the agility community, I have developed a deep appreciation for the people who dedicate their time and energy to helping our sport thrive.

I am passionate about fostering a positive and welcoming environment for exhibitors, volunteers, and clubs across Canada. I believe strong organizations are built on clear communication, transparency, collaboration, and a commitment to serving their members.

As a candidate for Secretary, I hope to contribute my organizational skills, attention to detail, and dedication to the agility community to support AAC's mission and future growth. It would be an honour to serve the members and help ensure the continued success of our sport.
