Fun "At Home" League

The Rules

- Two jumpers courses designed on a 40x40 grid will be available for 3 levels (starters, advance, masters equivalent)
- Equipment required – one tunnel and three jumps
- Cost for courses only - $5/course or all 6 for $20 ($25 non-members). PayPal only.
- Judging and league participation $3/run ($5 non-members) – PayPal only
- To have your runs judged, you must have signed up and purchased the course maps for the runs you are having judged. If you have multiple dogs, you only need to buy the maps once!
- Dogs having their runs judged must have an AAC Dog ID and be 18 months old
- Sign up until Friday at Noon Eastern Time each week via link on AAC website.
- Courses will be distributed Friday evening.
- A new private Facebook group will be created each week for you to upload videos.
- A new post will be made for each level. Upload your run as a comment under that post.
- Video can be uploaded directly to Facebook or as a link from other sites (YouTube, Vimeo).
- In the comment, state your name, the dog's name and ID number and jump height. We can't always tell who you are from your Facebook name.
- Course can be run and submitted for judging until Wednesday 9pm EST
- You may submit one run or all runs for all levels!
- Submit only your FIRST run (of each event) for judging – note, this is an honour system and we have no way of knowing how many times you have run the course!
- You may not run with food or toys for the run that is to be scored – note, this is an honour system and unless you produce the items out of your pocket at the end of the run we have no way of knowing they are on your person!
- Your dog may run wearing a collar if you want to leave it on – but <u>please</u> make sure it is close fitting with nothing loose to catch on the jumps. You must decide yourself on the risks of your dog wearing a collar.
- Runs will be timed from taking the first obstacle to taking the last obstacle. Make sure that they are visible on the video
- Runs will be scored as time + faults. Refusals not counted. Knocked bar +5sec. Off course not counted (it's just wasted time). Non-completion +20sec.
- League rankings will be posted on the website weekly. Keep a look out for prize announcements!
- At the end of each month there will be a winner for each height category and level (free course maps for the following session?)
- Earn level certificates for clean runs! (see titling document)

- Bonus – if you have paid to submit runs to be judged, you can submit a second “best run” (mulligan) to be scored for comparison. Why? Wait and see!
- Second Bonus – 2 Grand Prix Jumpers with Weaves Courses designed for a 60x80 area will be sent out free of charge. Anyone can run them and submit video. If you are in the Facebook group – they are yours to run!

Disclaimer:

This system of home trials are to be completed in accordance with the social restrictions in place for your province during the Covid-19 pandemic. Initially this means the venue is your place of residence with no people from outside your household in attendance. As Provinces move to relax or tighten restrictions in response to the pandemic, it could change how you as a participant are able to interact with other participants.
